I have received your open records request dated March 31, 2021 and received by me on April 1, 2021.

1. We have the video of the front door that is saved but is not in a format that can yet be transferred to a digital storage device. We expect to have this part of your request available in the very near future and will inform you of the associated retrievable cost and the cost of the device, if any. The availability of the balance of the video footage requested will have to be researched and evaluated. We are immediately taking those steps to communicate with the Counties third party vendor regarding the balance of this request that relates to video footage. We will inform you of our findings as soon as possible.
2. A copy of the requested timesheets for the period of October 1, 2020 through the present time that are responsive to this request will be emailed by Princess Zachery under separate cover.
3. On March 2, 2021 Ms. Earnestine Clark returned a phone call from Kristen Kitchens with the Douglas Enterprise. Kristen was asking about the Elections office being closed. See the attached email from Ms. Clark.
